

**DETERMINATION AND FINDINGS FOR A  
SOLE SOURCE EXTENSION OF CONTRACT**

**Contract No:** DCHT-2014-C-0024-A06  
**Caption:** Temporary Staffing Services  
**Proposed Contractor:** MBI Health Services, LLC  
**Program Agency:** Department of Health Care Finance

**FINDINGS**

**1. Authorization:**

D.C. Official Code §2-354.04, 27 DCMR § 1304 and 1700

**2. Minimum Need:**

The Department of Health Care Finance (DHCF or the Agency) of the District of Columbia (District) has a minimum need to continue Temporary Staffing Services for personnel to ensure the District meets the needs of DC Medicaid beneficiaries (“Beneficiaries”) who have been determined eligible for, and in need of, Personal Care Aide (PCA) services.

**3. Estimated Reasonable Cost:**

The estimated fair and reasonable price to provide the required services during the contract extension shall be in the amount of (\$2,171,106.85). The price is determined to be fair and reasonable, based on the changes to the reimbursement rates for Personal Care Aide (PCA) services effective January 1, 2015. The term of the Contract shall be through September 30, 2015.

**4. Facts Which Justify Sole Source Procurement:**

- A. It is necessary to enter into a Sole Source Contract extension with MBI Health Services, LLC (MBI Health), in order to avoid disruption of the essential PCA services to the Beneficiaries, and nursing staffing needs until September 30, 2015, to ensure continuity of care to the Beneficiaries, and to ensure compliance with Federal and District mandates Chapter 50, Medicaid Reimbursement For Personal Care Aide Services, of Title 29, Public Welfare, of the DCMR § 5000, *et seq.*, Provider Qualifications, while the Contractor completes the process to become an approved Home Health Agencies (HHA).

The Beneficiaries were adversely impacted by recent law enforcement actions that forced the closure of several large Home Health Agencies (HHA) accused of Medicaid fraud. DHCF received approval from Center for Medicare and Medicaid Services (CMS) and Department of Health (DOH) to establish a temporary HHA within DHCF to ensure that each of the Beneficiaries affected by the raid would have continuity of care with regard to PCA services. MBI Health was one of the contractors selected by DHCF to provide the PCA services. MBI Health has performed the required services satisfactorily since it was awarded the contract. Removing the Beneficiaries that are currently in MBI Health’s care from MBI Health would be potentially harmful to the Beneficiaries. The Beneficiaries are frail and elderly. The Beneficiaries require assistance in order to conduct regular daily

activities such as bathing, dressing, taking their meals, etc. Providing continuity of care to the Beneficiaries is a top priority for DHCF, and this can only be achieved by keeping the Beneficiaries that are currently being served by MBI Health with MBI Health Services, LLC until a more permanent solution is determined by DHCF.

- B. The Contractor has performed the required services satisfactorily since it was awarded the contract.
- C. A market survey was deemed unnecessary in light of the circumstances surrounding this procurement.
